Management Note to Accompany Cancer Alliance Network's 2024 Form 990

While the current financial statements/Form 990 reflect a year-end deficit, this is the result of a timing difference between when revenue was recorded and when related expenses occurred. Specifically, a large, donor-restricted gift was received and recognized as revenue in a prior fiscal year, in accordance with accounting standards. These funds were earmarked for programs that fall under our operating budget and were actively used in the current fiscal year as planned. However, because the revenue was recorded earlier and does not appear again this year, the expenditures create the appearance of a shortfall — even though they were fully funded. The organization remains financially stable, with continued board oversight and disciplined budgeting across all core services.
